Raise your Pulse

Next week the children will be taking part in our 'Raise Your Pulse' fundraising event. This is the second time that we have held this event and we are so looking forward to everyone taking part next Wednesday!

The children will be taking part in a fitness session, yoga, karate, mindfulness, a mile of walking/ running and a wellbeing assembly to name some of the activities.

All of the money raised goes towards the school and supporting the development of ALL of our children, both physically and academically.

This year we are raising money for a new school library and Art room which ALL of the children will benefit from in the next school year and beyond.

Please have a look at the poster below explaining the events that are available for parents and carers, how to raise money and support your school and how you can purchase a Raise Your Pulse fitness bag.

Red Nose Day

Thank you to everyone who dressed up an/or donated last Friday. We raised £201 on our Just Giving Page and £151.99 in the buckets on the gate.

A grand total of £352.99 is now winging its way to Comic Relief.

Tri-School SEN Parent Forum – ALL WELCOME

The Inclusion Leads at Brindishe Green, Brindishe Lee and Brindishe Manor – Jessica Dee, Verity Ferrant, and Gemma Caller – would like to invite you to a Brindishe Federation Parent Forum on Thursday 18th April at 10am. The purpose of the forum will be to share information about the systems in place to support children with Special Educational Needs and their families, in Lewisham and nationally.

The Brindishe Schools Governor for SEN, Adrian Prandle, will be joining us, along with a representative from Lewisham SENDIASS (Special Educational Needs and Disabilities Information Advice and Support Service).

SENDIASS is an impartial service, offering free advice to parents and carers. They will speak about the SEN system and the support they can provide for children and families.

The Forum will take place at Brindishe Manor. Please email info-BM@brindisheschools.org if you would like to attend, so that we can plan an appropriate space.

Lateness

Thank you to everyone who has been going to the office in the morning to sign their child in if it is past 8.45. Please make sure you do this if your child is late.

Easter 2024 holiday activities and fun

Lewisham's programme of free activities for the Easter holidays is now open for booking. As before, they've teamed up with a range of local organisations to offer something for everyone – from sports and drama, to arts, crafts, and trips to exciting venues.

You need to book your activity in advance. Places are allocated on first-come, first-served basis and are prioritised for children eligible for benefit related Free School Meals. Lewisham will also have a number of places available on a first come, first served basis for children who are experiencing hardship, but who do not receive Free School Meals.

How to book

Families who receive benefit related free school meals will receive a HAF Code via email or text message. This code will enable you to access a webpage with details of all activities and book your child's space. Please ensure you follow the link and instructions in the message. Please note each code is unique to each family. Families with more than one child will receive a code for each child.

If you haven't received a HAF code and your child receives benefit related free school meals, or if you require any support with bookings, contact HAFProgramme@lewisham.gov.uk.

Lewisham also have a number of places available on a first come, first serve basis for parents and carers who are experiencing hardship, but whose children do not receive Free School Meals. Email the team on the email address above if you'd like to apply for one of these places.

Second Family Hub opens in Bellingham

Parents, carers and young people in Bellingham will have easier access to free services, activities and different types of support following the opening of a new Family Hub. Lewisham Council officially opened the doors to its second Family Hub on Randlesdown Road. It is the second of the new-style hubs to open in the borough, which make it easier for parents, carers and young people to access the help and support they need by bringing together different services and types of support in a single location.

Using additional funding that the Council has secured from the UK government, Family Hubs have been designed to make it quicker and simpler for families to get practical support. The breadth of services that will be available from the new Family Hub will include parenting and feeding advice, support with wellbeing and mental health, and early language development. There will also be activities for older children and young people aged 11 to 19 (25 with a special educational need).

The Family Hub in Bellingham is located at 109-111 Randlesdown Road, SE6 3HB. It is open from 9.00 am to 5.00 pm Monday to Friday and can be contacted on 020 8314 9545 or by emailing family.hubs@lewisham.gov.uk.

Right Respecting Article Of The Week

Article 24 (health and health services)

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.

Article 27 (adequate standard of living)

Every child has the right to a standard of living that is good enough to meet their physical and social needs and support their development. Governments must help families who cannot afford to provide this.

Friday March 22nd is World Water Day.

We all know that water is vital for everyone in their daily lives across the world, and back in 2015 the world committed to working together to make sure that everyone has access to safe, clean water and good sanitation. This was Sustainable Development Goal 6.

But there is still much work to be done with over 2 billion people drinking unsafe water. An important aim of World Water Day is to inspire everyone to take action and make the necessary changes so that the right to clean water can be achieved by 2030 for everyone.

Why do you think that the right to clean water is such an important right?

The theme for 2024 is 'Water for Peace'.

Key messages for World Water Day 2024

- Water can create peace or spark conflict. When water is scarce or polluted, or when people struggle for access, tensions can rise. By cooperating on water, we can balance everyone's water needs and help stabilize the world.
- Prosperity and peace rely on water. As nations manage climate change, mass migration and political unrest, they must put water cooperation at the heart of their plans.
- Water can lead us out of crisis. We can foster harmony between communities and countries by uniting around the fair and sustainable use of water – from United Nations conventions at the international level, to actions at the local level.

For more information visit here - <https://www.un.org/en/observances/water-day>

UNICEF works in lots of countries to make sure that children have access to clean water.

Watch Stephen's story and discuss with your child at home what difference it makes for children when they have safe water taps and clean water.

YouTube Shorts

You should be over 13 to post videos on YouTube. YouTube Shorts are short videos which are similar in format to videos you find on TikTok or Instagram Reels. 'Shorts' are available to watch on the YouTube homepage or on the Shorts tab in the app. As they are quick to watch, they can be addictive and lead to excessive screen time. If your child is watching these videos, ensure they know that there is a report button.

The INEQE Safeguarding Group discuss this feature in more detail here:
