

# Plans for full reopening in September 2020

Brindishe  
Lee

All children in Year 1 – 6 will return back to Brindishe Lee on **Monday 7<sup>th</sup> September**.

School attendance is **compulsory** and we would like all children back in school.

**Each class or year group will form a 'bubble'**. Most learning will happen within the classroom. During playtimes and lunchtimes the children will play in their own area with their own class.

Children must sanitise or **wash their hands** every time they enter the school and at different times during the day. School staff and signage will reinforce how to keep hands clean.

The school will be **cleaned** more regularly, during the school day and at the end of each day.

Guidance says children **do not** have to wear a mask. However, there will be a Mask Station on premises for children to safely remove their mask before entering school **IF** they have to wear one on the way to school.

## Plans for drop off

Please drop your child off at school at your **allocated time**.

### Try not to be late!

Your child will not be able to come onto the school premises before their allocated time or after. If you need to wait outside the gates, please remember to **socially distance from other families**. Please keep your child/children by your side.

Parents and carers must say goodbye at the gate.

Please **only arrive at your pick up time** as we are trying to reduce the number of families in the playground. If you arrive early, please wait in the vicinity of the school site but not directly outside and please **do not block the gate**.

Please be prepared to **stop and wait** if asked by a member of staff to allow children to pass or maintain social distancing.

## What does my child need to know before they start school?

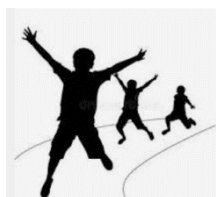

Children will start in their new class, with their new teacher. **They should know their new class name and teacher before they come to school.**

Children will be given plenty of time to **share stories and talk through any worries.**

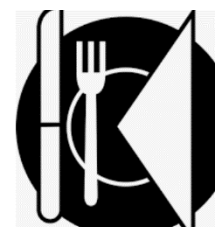

Children **must** bring a reusable, labelled **water bottle** and a small bag.

The classrooms will be set up so that the children are predominantly facing the front of the class

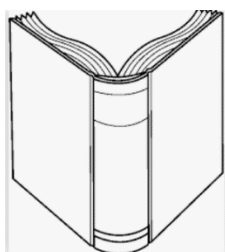

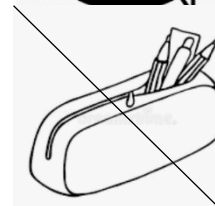

There will be **staggered break and lunchtimes** where the children will be allowed to play outside in their zones

Children will have lunch with children in their Bubble.  
**Hot school dinners will be eaten in the hall** or the classroom  
Children will bring their rubbish home in their lunch box.

Each child will be given all the equipment they need. Children **must not** bring any pencil case or equipment from home.

Reading books will be sent home.  
Homework will be on Itslearning.

Children must **come to school in their outdoor PE kit** on their allocated PE day.
