What has been happening this week?

The children paid careful attention to the Road Safety Assembly on Monday and hopefully they are busy at home creating their competition entries- see the reminder at the bottom of the newsletter. Bring entries to school by Thursday 28th November.

Year 1 really enjoyed their trip to Manor House Gardens- autumn was definitely on show for them!

Reception had a wonderful time at London Docklands Museum, taking part in an interactive storytelling workshop- River Rhythms!

Many thanks to all the parent helpers who accompanied the classes on these great trips.

What is happening next week?

Rosie will be leading the school in marking World Diabetes Day on Wednesday 27th November. (We are a bit late as Rosie was on School Journey!) As well as a special assembly, we would like the children to show their support, either by wearing a Onesie (Type One...sie!!!) or wearing the colour blue to represent the charity on Wednesday.

We have an INSET Day on Friday 29th November, so there is no school for the children on that Day. Sportacus are running a day camp at Brindishe Green if you need childcare.

Year 5 are off to the British Museum to look at Ancient Greek artefacts on Tuesday.

Assemblies next week will cover National Tree Week which supports Article 29 in the UN Rights of the Child. Our Eco Council will deliver this assembly.
