## What has been happening this week?

We hope you all had a beautiful Easter break! The children have returned raring to go with their learning. Please look out for your year group curriculum letter on WEDUC for information about what your child will be learning this half term.

Thank you to the Reception parents who came for some top- up Phonics training today. There will be more workshops coming up. Please check WEDUC for the excellent workshops that Lewisham are offering for parents on a range of topics like behaviour and SEND.

With better weather here now, the children have enjoyed being able to use 'The Mound' again to roll, run and be free! We really are lucky to have such beautiful school grounds to play in. There was a lot of outdoor learning for classes this week too, using the grounds as inspiration for art, science and geography.

Good luck to all our Marathon runners tomorrow! Go, go, go! We sent them off with a big round of applause in a special assembly.

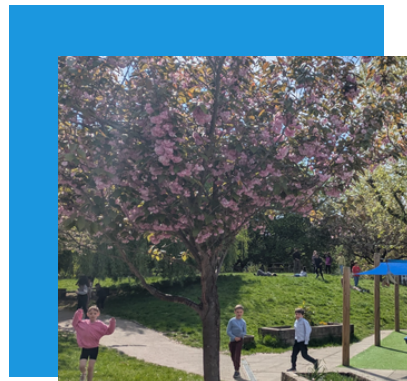

Year 6 have been given their 'Leaver's Hoodies' today. They look great! Thank you F@B team for organising and part funding these. It's the beginning of the end for Year 6!

## What is happening next week?

Year 4 will have a special virtual Kindness Workshop on Friday.

Pupil Parliament will be running assembly on Monday, to agree our Toilet Charter with the school. On Wednesday, Eco Council will lead the school in an assembly about National Gardening Week. Why not get stuck into some gardening at home this weekend? have a look at the ideas here- you don't even need a garden!
