## What has been happening this week?

Children's Mental Health Week has been a feature in assemblies and classrooms this week, as the children have explored the 'Know Yourself, Grow Yourself' theme. Children have explored the 'islands' that make up their personalities, considered how 'self talk' influences self-esteem and completed some mindful art work.

Reception had a great time at the Fire Station visiting some local heroes. They also had a talk from our own hero, Mr Rob. He told them about all the important jobs he does to keep the school safe and tidy.

Year 5 are practising hard for their upcoming appearance at Catford Broadway Theatre as part of the Lewisham Live Dance Festival. We can't wait to see them pick a pocket or two!

The Eco Council started some weeding and were delighted to see the bulbs emerging as a sure sign of Spring.

## What is happening next week?

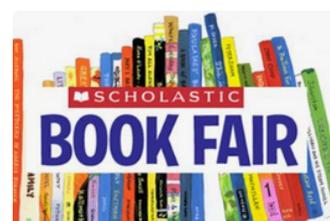

It's Safer Internet Day next week so the children will be taking part in activities to reinforce some important messages about internet safety- more important now than ever before. Click the link below for more information.

We welcome back the Scholastic Book Fair! It will be open today as well as Monday, Tuesday and Wednesday next week. Money raised enables us to top up our library with beautiful, new books which the children love.

## Open Classrooms

Please come in to your child's classroom after you have collected them on Tuesday 11th February after school. There will be half an hour to spend in school to look at the work they have done this term. If you have more than one child here, make sure you leave time for each classroom!

# F@B AGM
