## What has been happening this week?

Our whole school focus on handwriting is really starting to pay off as we see beautiful displays of writing pop up around the school. We can't wait for you to see them at the Open Classrooms on 11th February.

The children are really enjoying our Music Assemblies. This term they have learned about the Beatles and the song 'Octopus's Garden'. Continuing the ocean theme, the song Baby Beluga is fast becoming a favourite. If we have any musical parents, we would love for you to come and play/ sing in one of our Music Assemblies. Get in touch if you can help!

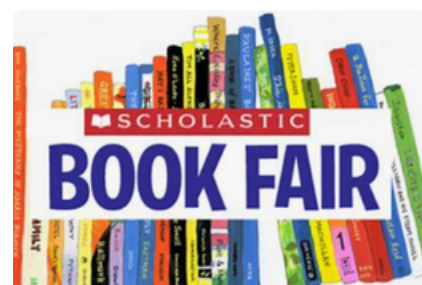

## What is happening next week?

It's Children's Mental health Week and we have activities planned to celebrate and promote this important week as well as two assemblies. More information via this link:
