## What has been happening this week?

The children enjoyed their visit to the pantomime at The Broadway Theatre in Catford. They were mesmerized by the singing and dancing and captivated by the story, which had a powerful message about diversity and respect. Our very own Mrs Rathbone made a cameo appearance, along with Aleksey from Year 4!

Other highlights this week included an informative assembly about Hanukkah from Ms Haughton. Happy Hanukkah to all those celebrating next week! Year 4 learned about how poo is made in a highly engaging practical session for Science. Reception smelled amazing on Wednesday as they baked gingerbread. Delicious!

## What is happening in the first week back?

**Children return to school on Tuesday 7th January.**

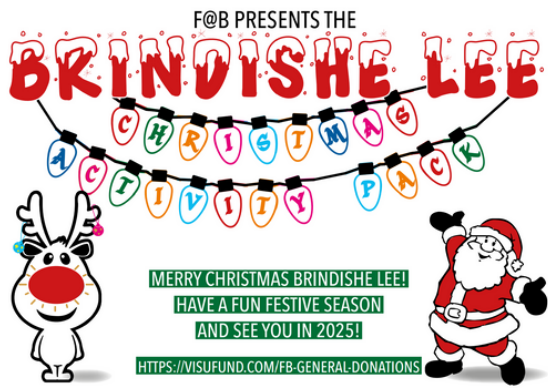

The children will be jumping into their new learning for the term. Please look out for the Curriculum Newsletter sent by the class teacher via WEDUC, detailing the learning content.

Assembly will include thinking about our new year's resolutions in relation to our school vision and values. We will also learn about Stephen Hawking in recognition of his birthday.

### Important information from the office
