## What has been happening this week?

Our swimming team did us proud last Friday! Here are some highlights from a fantastic afternoon..... Well done to Alice, Max, Araminta and Bobby who won their freestyle relay heat. Melissa won her breaststroke heat, Ashanti came second in her butterfly heat, narrowly missing first place, Isabel came a close third in her freestyle heat and Chioma came a close third in her butterfly heat. We were so proud of their sporting behaviour, cheering each other on and also dealing with a last minute recall to swim the medley relay again!

Year 3 had a great hands on workshop at the Petrie Museum, learning all about Ancient Egypt. Thank you to all the parents who came along to help out.

Elsa, the pupil parliament member from Year 6, fulfilled one of her election pledges this week by leading the school in raising awareness about neurodiversity. She did a super, informative assembly on Thursday. Well done, Elsa!

## What is happening next week?

Assembly on Monday will be about World Water Day as part of our Rights Respecting Schools approach. On Wednesday, we will have an assembly all about Ramadan and the upcoming celebration of Eid.

Year 1 have a visit to the Royal Observatory in Greenwich to enrich their learning about space.

We are looking forward to welcoming parents to school to meet with the teacher and have a look at the learning your child has been doing. Respectfully, we remind you that appointments are 10 minutes long. We must stick to these timings to ensure everyone gets a chance and the teachers are looked after.
