What has been happening this week?

National Gardening Week has brought a flurry of activity in the school grounds, with classes weeding and planting and Eco Council keeping everything tidy with a bit of litter picking. Thank you to the Year 5 Eco Council members who led assembly on Wednesday.

Year 4 took part in a virtual Kindness Workshop, run by the charity 52 Lives. The children had an inspirational presentation from Krish, their 'Captain of Kindness'. They then completed a task which Krish shared on the screen with the two other schools who were in the workshop with us. What a fantastic experience!

Huge congratulations to our Mini Marathon runners, some of whom brought their medals in to school. You really did live our values with your amazing running achievements! Some of the children were spotted on the big screen and were even interviewed for the TV coverage!

What is happening next week?

We will have an assembly about Keeping Safe in the Summer (which will certainly bring an end to this warm spell!)
On Wednesday we will have an assembly to educate ourselves about asthma and raise awareness of this condition.

Thursday will bring a special VE Day assembly. We will learn about the significance of VE Day and sing some songs of the era.

Children can come to school dressed in red, white and/ or blue on Thursday 8th May- the 80th anniversary of VE Day.

Enjoy the Bank Holiday on Monday and we will see you at school on Tuesday 6th May

Celebrate the 80th anniversary of VE Day in Lewisham.

VE Day is an opportunity for the nation to come together to honour and pay tribute to the Second World War generation from across the UK and Commonwealth, through a series of national and local events and activities.

Street parties

There are a number of planned street parties taking place in Lewisham over the bank holiday weekend, Saturday 3 - Monday 5 May.

Lewisham Council's beacon (flambeaux) lighting ceremony

The ceremony will take place on **Thursday 8 May, from 7-9pm**. The event will be held outdoors, on the grass area outside the Blackheath Gate of Greenwich Park.

The schedule includes a live brass band performance by Lewisham Concert Band at 7pm, followed by the beacon lighting at 8pm, and continued live music until 9pm. Attendees are encouraged to plan for all weather conditions and are welcome to bring their own refreshments or enjoy offerings from local vendors.

Proms and Picnics

Proms and Picnics will take place on **Monday 5 May, from 12 noon-2pm**. Enjoy live music from Chapel Brass at Beckenham Place Park or the Lewisham Concert Band at Mountsfield Park. Both parks have cafes where you can purchase snacks, or you can bring your own picnic.

Libraries

History talk: VE Day: The Story of Major Leonard Berney 1920-2016 at Deptford Lounge Library, **Thursday 8 May from 5pm**. **Book your space on this free history talk.**

Exhibition

Did you know some Emojis have a double meaning?

For those that have watched Adolescence, you will know children and young people may be using emojis to mean something completely different.

For example, the kidney bean emoji (🍵) may be used to identify as an incel. It is important that you are aware of how emojis can be used and keep up to date with the way in which they can be used as their meanings are changeable.

Mental Health Awareness Week

Mental Health Awareness Week occurs every year in May and is an ideal time for us all to think about mental health, tackle stigma, and discuss how we can create school environments that protect our mental wellbeing. The week is based around a different theme each year, and previous themes have included nature, kindness, and body image. It is hoped that as many people as possible will have conversations about mental health and the everyday things that can affect it.

Our mental health clearly links to **Article 24 of the CRC** but, if you think about it, many of the other rights that children and young people are entitled to, also contribute to good mental health.

What do you need for positive mental health?

- Understanding the different types of emotions you have.*
- Knowing that it is usual and ok to have times when you might feel sad or worried*
- Learning different ways to look after your mental health*
- Having a trusted adult to speak with about your feelings.*
- Making sure you exercise regularly.*
- Making sure you have a healthy diet.*
- Spending relaxation and fun time with friends and or family.*
- Taking part in hobbies or activities that you enjoy.*
- Being involved in activities to help others.*
- Limiting screen time or access to other online platforms.*
- Health care – being able to see a doctor, nurse or counsellor if you need to.*
- Being able to enjoy all your rights.*

Read Blue by Sarah Christou or Ruby's Worry by Tom Percival.

Who could your child talk to if they felt sad or had a worry? Talk to your children at home about their trusted adults inside and outside of school.
