## What's been happening this week?

We really enjoyed our World Space Week themed lunch and the children were excited to hear about the Artemis Mission to the moon. We will be following this closely!

Indoor lunchtime clubs got off to a great start this week with lots of children enjoying Board Games and Knex club run by Year 6.

National Poetry Day on Thursday was a great success and the children have been set a challenge to write a poem to be entered into a competition at school, and nationally. Some children will have this for Home Learning so please do look out for it.

The Flu Immunisation day went well and the children were great! We have a catch up day on **23<sup>rd</sup> October** if you missed out. Look out for the email about how to get it.

The money raised by F@B really makes a difference to your child's time at school! We are delighted to inform you that the next chunk of money raised will be spent on equipment to update two lovely areas of our playground. The Forest School will be getting a mud kitchen, new seating and a new Teepee so it can be used during playtimes as well as in lessons. The Den will be equipped with a range of apparatus for children to create imaginary worlds and enrich their role play with things like crates, planks, blocks and material.

We will need more money for more exciting things so please get involved!!!
