What's been happening this week?

Year 2 had a great time at the Royal Festival Hall. They heard the story of Stan and Mabel, joining in with the singing, played by the London Philharmonic Orchestra. What an amazing experience! They also enjoyed the train journey and looking at the River Thames.

Everyone has enjoyed being curious during British Science week. Children have undertaken a range of experiments involving everything from electricity to separating materials. Our findings will be presented in a Science Symposium next Thursday.

To enrich British Science Week, on Friday we welcomed our friends Tig and Peter from the Digitall charity. The children in Key Stage 2 took part in eco-coding workshops, answering questions such as 'How strong is spider silk?' and 'What colour are polar bears?'

We wished the swimming team good luck as they headed out to their swimming gala on Friday afternoon. We will share the results and tell you all about it in next week's newsletter!

What is happening next week?

Year 3 have a trip to the Petri Museum of Egyptology where they will get up close to some amazing artefacts from Ancient Egypt. This is a well kept secret location, so don't tell anyone about it! The children get to experience amazing artefacts away from the crowds of the British Museum! Only the best for Brindishe children!!

We will be welcoming the author Gareth P. Jones to school on Friday as part of our National Year of Reading celebrations. Gareth will be reading from his books and entertaining us! There is the opportunity for you to buy a book for your child and they will get a meet and greet with Gareth to get their book signed. See message on WEDUC.

Reception will continue the celebrations with a trip to Manor House library. They will all become fully signed up members of the library to get access to all those lovely free books!

Books by
Gareth P Jones
£8 for 1 £15 for 2

Supporting Our Children During Difficult Times: Resources Regarding the War in Iran

At Brindishe Schools, we know that recent events relating to the war in Iran may be affecting some members of our school communities, and we want to ensure that you feel supported and have access to appropriate resources during this challenging time.

As a federation of schools, we understand that global conflicts can have a profound impact on children's wellbeing, particularly when families have personal connections to the regions affected or when children are exposed to distressing news coverage.

Talking to Your Child About Conflict

General Principles:

- Stay calm and reassuring – Children take their emotional cues from adults. Let them know they are safe.
- Be honest but age-appropriate – Use simple, clear language and avoid graphic details
- Listen and validate their feelings – Encourage them to ask questions and express how they feel
- Limit exposure to news – Constant exposure to distressing images and reports can increase anxiety

Reputable News Sources

If you want to stay informed or help your child understand what's happening, we recommend:

- BBC News: Middle East – For factual, balanced news coverage for adults
- BBC Newsround (www.bbc.co.uk/newsround) – Child-friendly news summaries designed for primary-aged children
- CBBC Newsround: World News – Age-appropriate explanations of current events

Mental Health and Wellbeing Support

At School: If you're concerned about your child's wellbeing or notice changes in their behaviour, mood, or anxiety levels, please contact us. We have support available.

Support for Families with Connections to Iran

We recognise that some families in our school community may have personal connections to Iran or the wider region, and this situation may be particularly distressing for you. Please know that we're here to support you and your children during this difficult time. If you would like to speak to someone at school about additional support, please contact us.

UNICEF also have resources for parents and carers: [UNICEF: how to talk children about conflict and war](#), focussing on age appropriate language, reassurance and keeping calm, spreading compassion not stigma and how to limit the flood of news.

We're here to support all our families. If you have questions, need further support, or wish to discuss any concerns about your child, please don't hesitate to get in touch. These are challenging times for many families, and we want you to know that Brindishe Schools are here to support you and your children.

Lewisham Parent Consultation

In July 2025, the Government launched its strategy "Giving every child the Best Start in Life", setting out its ambition for all children to develop well, learn to communicate, form relationships, manage emotions, learn and play.

A key ambition for the Government is that 75% of children achieve a Good Level of Development (GLD) by 2028 which is assessed at the end of reception by your child's primary school. This covers development in their communication and literacy, physical development, maths, understanding of the world and their creativity.

Lewisham Children's and Health Services are keen to support children and their families in this ambition and are seeking feedback from parents and carers on any support we can offer to help children achieve this.

All surveys submitted will be entered into a draw to win a £50 voucher.

Follow the link [Parent/Carer Survey: Supporting learning at home - Fill in form](#)

Online Safety Bulletin

Family Smart Start

Family Smart Start is a free toolkit designed to help you and your child navigate the milestone of getting their first phone. The toolkit provides support on how to set up their new phone, how to talk to your child about digital safety and a template family agreement.

Find out more here: <https://familysmartstart.com/>

Royal Ballet and Opera

The Royal Ballet and Opera Youth Opera Programme introduces young people aged 8-13 to vocal training and the world of opera in a welcoming, supportive and inspiring environment. Their programmes nurture singing skills, creativity and confidence through training and performance opportunities.

Rooted in inclusion and access, they actively welcome young people from all backgrounds and work to reflect the diversity of local communities. For some, this is the start of a pathway into further training. For others, it is about building confidence, friendships and the joy of making music together. For all our young singers, it is a place to grow and find their voices.

Applications for the RBO Youth Opera Programmes are now open and will close at midnight Sunday 10 May 2026.

RBO are inviting young singers to apply for their Youth Opera Programmes: Young Voices and the Youth Opera Company. Applicants must be aged 8 to 11 years old (inclusive) on 1 September 2026 (currently in Years 3-5), and live within Greater London, or within an hour of travel time to the Royal Opera House.

Applicants should be able to demonstrate:

A passion for and commitment to singing

An interest in drama and performing skills

An enthusiasm for teamwork and collaboration

For further information and how to apply please visit their website.

Rights Respecting Article - International Women's Day

International Women's Day (IWD) is celebrated on 8 March. It is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality.

Across Brindishe Schools this week, we recognised and celebrated International Women's Day.

Why do you think it is important to have a special day to celebrate women?

To celebrate how amazing women are.

To recognise how women have changed the world.

To acknowledge the challenges women still face around the world.

To encourage women to be themselves – to be the best they can be!

To let women know they are appreciated.

To speak out about inequality.

Fewer girls than boys go to school – this isn't right.

Women often get paid less than men for doing the same job.

It is about equality and ensuring all are treated fairly and not discriminated against.

To explore what we need to do to create a world where gender equality exists.

Watch Thomas and Friends on Gender Equality. Thomas talks about what his friends are good at and says that girls and boys should work as equals and have the same chances in life. Talk to your children at home about what they really good at? Can girls and boys be good at the same things? Could you draw a picture of a woman or girl that you look up to in your family

Key Federation Dates

- Easter Holidays - Monday 30th March to Friday 10th April
- Bank Holiday Monday - Monday 4th May
- SATS Week for Year 6 - Monday 11th May to Thursday 14th May
- Half Term - Monday 25th May to Friday 29th May

Brindishe Schools Governing Body

Governing Body meetings are regular and meet every half term. Parents/carers are more than welcome to attend our meetings as 'observers'. This means you can sit and observe the meeting but will be unable to speak/comment and would need to leave the meeting during confidential items.

If you would like to know more about the governing body or you would like to attend one of our meetings, please email Rachel Waite - rawait@brindisheschools.org. An email to confirm attendance at the meeting will need to be received before a parent/carer can join the meeting.

Our third meeting for 2025/2026 will be held on Thursday 19th March 2026 at Brindishe Manor School - 6pm.

Measles

Since January, London has seen a rise in measles cases, including outbreaks in North London. Almost all children who have caught measles had not had the MMR or MMRV vaccine.

Measles spreads very easily among unvaccinated people. Because vaccination uptake has fallen below the threshold needed to prevent transmission, Lewisham schools and early years settings are at risk of outbreaks.

Measles spreads very easily among those who are not vaccinated. It usually starts with a high temperature and cold-like symptoms, followed by a rash.

Around 1 in 5 children with measles need hospital care, and measles can sometimes lead to serious problems, such as pneumonia, meningitis, blindness, and seizures.

The MMR and MMRV vaccines protect against measles. Nearly all children who are developing measles have not been vaccinated. The MMR vaccine is recommended for anyone born on or before 31 December 2019, and the MMRV vaccine for younger children. They are safe, free, and given in two doses, usually at 12 months and 18 months of age. Getting the vaccine also helps stop measles from spreading to people with weak immune systems and babies who are too young to have it yet.

Please check whether your child has had two doses of the MMR (or MMRV) vaccine. You can look in your child's "Red Book" (Personal Child Health Record), check on the NHS app, or ask your GP surgery.

If your child has missed one or both doses, please book a free appointment as soon as possible by contacting the School Immunisation Team (020 8487 1730 / HRCH.Immunisationcallcentre@nhs.net) or by speaking to your GP practice.

You can find more information on the NHS website: <https://www.nhs.uk/conditions/measles/>

Thank you for helping us to keep our community safe.

Measles cases

are rising in England

Make sure your child
is up to date with
their MMR vaccinations

The graphic features a blue background with two dark blue rounded rectangular boxes containing white text. Below the text is a stylized illustration of a woman with long dark hair in a bun, wearing a white sleeveless top and dark pants, sitting on a yellow chair. She is looking towards a young girl with dark hair in a ponytail, wearing a pink dress and holding a pink teddy bear. The girl is sitting on a yellow chair next to the woman. The overall style is clean and modern.

SPORTACUS ACTIVITY CAMPS

Active Kids, Happy Days.

Mon 30th Mar - Fri 10th Apr

Join us this Easter for a high-energy holiday camp your child will never forget!

Our activity Camps are big on sport and big on fun – packed with sports sessions, inflatables, archery and Nerf, plus expert coaching and new friendships every day.

**Early drop-off & late collection at all venues
Safe, supervised, and seriously unforgettable!**

Plus, enjoy 10% sibling discount on 2 or more full-week bookings.

Spaces fill fast – secure your child’s spot for an action packed Easter break!

What to Bring:

- **Packed lunch and healthy snacks**
- **Refillable water bottle**
- **Appropriate clothing**
- **No fizzy drinks, sweets, or nut products**

No You're Not, Yes I Am

- a portrait of autistic women.

This exhibition by documentary photographer Rosie Barnes, gives voice to autistic women from a wide range of diverse communities. The moving and powerful portraits and interviews explore and express the inequalities, misunderstandings and barriers experienced by autistic women and girls. These powerful voices advocate for change, paving the way for a society that appreciates and welcomes the full spectrum of human experience.

SET

SET Lewisham Unit 1 Lewisham Retail Park,
London, SE13 7RZ info@setspace.uk

Opening Dates/Times:

Monday March 23rd 6-8pm **Private view**
