What's been happening this week?

Years 5 and 6 had a great time at their football trials and we are looking forward to supporting them on Blackheath in the Lewisham Schools tournament soon. Selected pupils will be notified soon.

Our reading focus has continued, seeing everyone in the school enjoying extra reading and sometimes paired reading with a different year group. There's a message from Ms Benton below, about how to submit your sponsorship money.

Pupil Parliament elections have been taking place across the school and our new members will have a focus on writing a Rights Respecting Playground Charter in the first instance. Play Leaders and Eco Council will be have their first meetings next week. The Library Monitors are already up and running, keeping our library in order.

What is happening next week?

Assemblies will cover World Space Week. There's a special lunch menu on Thursday to celebrate too! We will also celebrate National Poetry Day, led by Year 6. As we head into October, we will learn about a new Musician of the Month- Nina Simone.

Wednesday 1st October is Flu Immunisation day.

Readathon

This weekend is the last opportunity to do some reading! Every minute counts! So let's do one final push to see if you can meet your reading target.

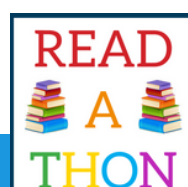

Don't forget to collect your sponsorship money- you have worked hard for this! Remember you can physically hand in your fund-raising money in an envelope with your sponsorship form to the school office OR if you wish to send the sponsorship money electronically, then please use the link below:

Sponsorships should be collected and handed in/transferred week commencing Monday 29th September.

I look forward to hearing about how many minutes you read in total! And if you smashed your reading target!
