## What's been happening this week?

It was great to see the children back at school and in good spirits following the half term break. We have been enjoying the better weather and really making the most of our playtimes outside.

Congratulations to all the children who were our first 4 Times a Week winners! Each time you read with your child in a week, and sign their book, counts towards getting a stamp. They may win a prize, but the real prize is the improvement in reading fluency and vocabulary development that they get from reading with you at home!

Doctor Bike came on Friday to make sure the bikes belonging to Year 5 are ready to go for their Bikeability training next week. This was a free service and we are really grateful to Doctor Bike and the Bikeability team.

We had a great assembly on Wednesday marking the start of Ramadan . Ramadan Mubarak to tall those observing!

## What is happening next week?

Next week is all about books!

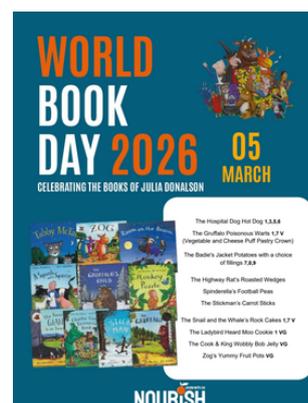

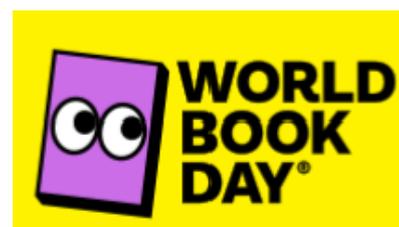

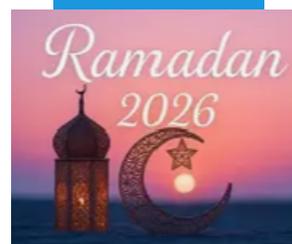

### READ WITH YOUR CHILD WEEK

Come in to the classroom any day until 9.10am to share a book with your child. Bring a favourite from home or choose a book from the school collection.

### WORLD BOOK DAY- Thursday 5<sup>th</sup> March

Send your child dressed for a day of cosy reading- think tracksuits, onesies and oodies! We will take part in a range of reading activities and have a special Julia Donaldson themed lunch.

We will be saying 'Break a Leg' to Year 5 who have their dance performance at Lewisham Live on Tuesday! It's a snazzy number they have choreographed themselves, including storytelling through movement and the Cha Cha Cha!

F@b are looking for new volunteers, particularly from Year 1 and Reception to join the team of parents/carers who support activities - ideally 5 people from each year group!

Funds raised through F@b provide enrichment opportunities for the children that the school budget cannot cover, such as author visits, pantomimes, and playground equipment. Events such as pancake breakfasts also enhance the school community and the kids have a lot of fun!

### How to get involved:

Join our F@b WhatsApp group if you haven't already by clicking here or by contacting us at [friends.brindishelee@gmail.com](mailto:friends.brindishelee@gmail.com)

There are opportunities to:

- help oversee the coordination of events and the f@b calendar, working with the school
- plan and run events
- support financial operations
- manage F@b communications to be included in the school newsletter

The current committee will be on hand to onboard newcomers and we have a blueprint for how existing events are run.

Thanks to those who have signed up to help plan and run a school disco - the response has been fantastic!
