What's been happening this week?

Eco Week was a great reminder of our responsibility to the planet. The staff team had a great training session on Wednesday and have decided upon some more actions they can take to reach our target of being carbon zero by 2030. The Eco Council were out at lunchtimes collecting litter that has blown into the school grounds from outside and thank you to the parents who came to help the children weed the pots and planters ready for our new planting. Your help is greatly appreciated! We will be asking for more volunteers in the future to help with the planting.

Still on the eco theme, Reception have created their own beautiful interpretation of Monet's Waterlilies painting, increasing their awareness of the beauty of nature.

Have a look at the books and texts we are reading in class at the bottom of the newsletter!

What is happening next week?

Good luck to all the children from Year 4, 5 and 6 who are running the Mini Marathon on Saturday! Go, go, go! We can't wait to hear all about it on Monday!

Next week we have assemblies on the theme of current affairs and what is going on in the world around us. We will also look at the historical and cultural significance of 'May Day' for many different communities.

Important Information From the Office

Reception: Please give permission on WEDUC and make payment on Arbor for the upcoming Woodlands Farm visit.

Music: Please make payment for your child's music lessons.

Please inform the office or update Arbor yourself when there is a change of address.

School Run Clubs

If your child has been allocated a club for the Summer Term, there will be a slip in their book bag today. Sorry if your child does not have a club this term but we have been able to give places to all children on the waitlist. Every child who wanted a club has had one offered this year.

Clubs start from Monday 27th April. Please be on time to pick your child up at 4.15pm, or we will need to withdraw their place.

If your child no longer wants their club, please let Vikki know so we can offer it out to someone else.

Save the Date!

The date for our school disco this year is **Thursday 14th May.**

4.30-5.30pm for Reception, Year 1 and Year 2
5.45-6.45pm for Years 3, 4, 5 and 6.

More details on how to get tickets to come soon!

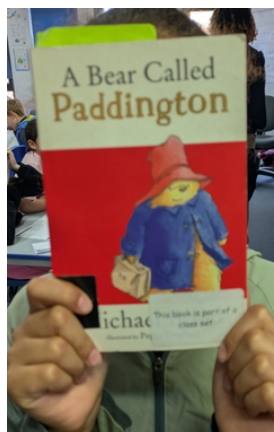

Well done to Year 1 for getting to school on time!

The National Year of Reading

These are some of the books and texts we are enjoying in class at the moment. We have story time during the day and we also use books and texts to inspire our writing. What are you reading at the moment?

Seeking Views of Parent and Carer Feedback on School Meals

We have been working with Nourish, our new catering providers, for a term and would like to take this opportunity to seek your views.

To help us gather meaningful feedback, there are two short questionnaires:

one for parents/carers whose child currently has a school dinner

one for those whose child brings a packed lunch.

We kindly ask that you take a few minutes to complete the relevant survey by Friday 1st May. Your feedback is important to us and will help shape future developments to our lunchtime provision.

All views will be shared with Nourish, and a summary of responses will be sent out in the newsletter when compiled.

Thank you for your continued support.
