What's been happening this week?

We hope you enjoyed looking at your child's work in their new year groups. It was great to see so many parents engaging with their child's learning. Parent Consultation meetings are on 1st and 3rd December so look out for booking information soon.

The children really enjoy Design Technology at Brindishe Lee and we have seen a lot of it this week. Year 6 have been constructing shelters linked to their World War 2 topic in History. Year 4 have been tasting and making minestrone soup, learning chopping skills and evaluating their products.

What is happening next week?

Year 1 are off to Manor House Gardens to look for signs of autumn. Year 4 have a visit to Lesnes Abbey for a workshop about the Romans to enrich their learning in History.

Year 3 and Year 4 have a Supersonics concert from Trinity Laban. They will learn all about musical composition and the elements of an orchestra.

We have our Pancake Breakfast on Thursday morning- see separate email for tickets. Then on Friday we have our Halloween costume swap and spooky cake sale.

It's shaping up to be an exciting week!

The Big Future Survey

Dame Rachel de Souza is asking for your support in making sure as many children and young people as possible have the opportunity to take part in her final national survey.

The survey can be completed here:

<https://www.childrenscommissioner.gov.uk/thebigfuture/>

The Big Future is a national survey of children and young people. It is a vital opportunity for pupils to tell the Children's Commissioner for England what matters to them, what they want for their futures and what they believe needs to change.

The survey takes just a short time to complete. You can access the survey here:

<https://www.childrenscommissioner.gov.uk/the-big-future/>.

With the deadline fast approaching, every child that takes part can make a real difference. The Children's Commissioner for England, Dame de Souza wants to hear from children in every part of England, from every background and in every type of school.

TIME TO TALK AT HOME

Would you rather...?

... make one person very happy or make ten people a little bit happy?

For the first time, hundreds of thousands of children will be eligible to vote in the next general election at age 16, the biggest change to the franchise in half a century – yet just one in five children say politicians listen to them.

That's why I'm doing my final survey, *The Big Future*, to talk to a million children, to listen to them. And to find out about what it's like to be a child today.

I am asking children about the changes they want to see in their communities, their biggest concerns, and their hopes for the future. More than anything, I want to know what they think a good childhood should look like, now and in the future.

Childcare in Lewisham - Parent Survey 2026

Lewisham are seeking your thoughts and opinion on childcare in Lewisham. You can complete the survey regarding childcare wants/needs for your family and enter the chance to win a £50 gift card. Your response will help Lewisham to understand how the council could better support families with accessing childcare in the borough.

A screenshot of the survey form. At the top is the Lewisham Council logo and the title 'Childcare in Lewisham - Parent Survey'. Below this is a thank you message: 'Thank you for completing this survey. Your response will help us to understand how Lewisham council could better support families with accessing childcare in the borough. Your response will be kept entirely confidential.' It also provides contact information for the Family Information Service (FIS) at 'www.lewisham.gov.uk/fis'. A section titled 'Required' contains the heading 'About your family' and the subtext 'This provides us with information to help us understand individual needs'. Rights Respecting Article

Article 6 (life, survival and development)

Every child has the right to life. Governments must do all they can to ensure that children survive and develop to their full potential.

What are all the things that you need to survive and to develop?

Good health – physical and mental

Education

Healthy food

Clean water

Somewhere safe to live

People to look after you

A name and an identity so you can be registered for healthcare and education

Protection so you are safe from abuse and neglect

A good standard of living

Time and space to relax and play

Knowledge of your rights

Share this story about Titch at home with your child.

Can you think of three things that you can do now that you couldn't do when you were younger? Share your ideas as a family. Perhaps you can create a timeline showing what you could do when you were different ages – remember though, that everybody develops at different speeds.

Residents invited to help shape Lewisham's future

Lewisham residents are being encouraged to have their say on the borough's future by taking part in a new survey that will help shape the Council's Plan for Lewisham.

Hundreds of residents, community groups and partners have already contributed their views through a series of focus groups and engagement sessions. Now the Council is inviting all residents to take part in a short online survey, which takes around 10 minutes to complete.

The survey asks for feedback on the Council's proposed priorities over the coming years. These priorities will help shape a new Plan for Lewisham that reflects the ambitions, needs and aspirations of people who live, work and study in our borough. The plan will focus on creating a borough where everyone can thrive, with priorities centred on improving opportunities, tackling inequalities, supporting healthier communities, strengthening neighbourhoods, building a sustainable future and ensuring residents remain at the heart of decision-making.

The survey closes for contributions on the 1st November 2026.

Residents can [complete the survey online](#).

Brindishe Schools Federation

Priorities 2026-2027

Securing the Best Practice, Achieving the Best Outcomes

Creating an Education without Boundaries

Brindishe
Federation

1

Building Capacity, Strengthening Accountability

- Teachers and staff will resume in meeting regularly in groups to share ideas and work on making things better for your children.
- As always, all our teachers and staff will have personal goals that link to our school's priorities.
- We will provide coaching, training and support to help all our staff become even better at what they do.

2

Diversity by Design: Every Voice, Every Story

- We will regularly check our curriculum to ensure all children can see people like themselves in the stories, examples and topics we cover.
- Children will learn best when they can get hands-on and creative which is one of our main aims.
- We will continue to plan our lessons so that children with special educational needs (SEND) or those who need extra help can continue to access the same exciting learning as everyone else.

3

Creating Meaningful Learning Experiences

- We will focus on developing children's speaking and listening skills (oracy) alongside their reading and writing.
- We will continue to strengthen Maths Mastery in EYFS so children spend more time really understanding number concepts.

4

Excellence Without Exception

- We will use our new tracking system called INSIGHT to strengthen how we monitor all children in their learning. This will help us quickly spot if any child or group of children needs extra support.
- We are still very committed to closing any gaps in achievement, so vulnerable children make just as much progress as their classmates.

5

Every Child Seen, Heard and Valued

- We will introduce a new behaviour policy called 'Promoting Good Relationships'.
- We're continuing to expand our range of clubs, trips and special activities we offer children.
- We've carefully planned our after-school clubs, lunchtime activities and special events so they complement what children are learning in class.

Brindishe Schools Federation Priorities 2026-2027

Securing the Best Practice, Achieving the Best Outcomes

Creating an Education without Boundaries

6

Engage, Enrich, Belong

- We will work hard to make sure children attend school regularly, aiming for at least 96% attendance across the school.
- If a child misses more than 10% of school (roughly one day every two weeks), we will work closely with you and your child to understand what's making it difficult for them to attend.

8

Every Child, Every Layer, Every Day

- We will continue to plan our lessons so that all children can access the same high-quality learning, whatever their needs.
- The government is introducing changes to how schools support children with special educational needs and disabilities (SEND). We're preparing for these changes

10

Protecting Pupils in Every Space

- As we do every year, we're providing annual updated training for all our staff on safeguarding issues that happen outside of family life and in the digital world.
- We will further strengthen our leadership and systems in place to protect children when they're using technology at school.
- We will introduce a mobile phone policy that restricts when children can use phones at Brindishe Schools

7

Playful Minds, Happy Learners

- We're introducing OPAL (Outdoor Play and Learning), which transforms playtimes into richer, more exciting experiences for children.
- We're creating even more opportunities for children to take on leadership roles and have their voices heard.
- We will continue with our 'Let's Go Zero' campaign, which means making our schools even more environmentally friendly and work towards becoming carbon neutral.

9

Beyond the Four Walls

- In our Early Years, we're focusing on 'oracy' – which simply means helping children become confident speakers and good listeners.
- We're expanding our outdoor learning and educational visits because children learn so much from hands-on experiences outside the classroom.
- We will help children understand why what they're learning matters and how it relates to their lives and the world around them by creating real-life experiences.
