

What we need you to do to help keep everyone safe?

For us to keep our year group bubbles open and the children in school we ask that you please work with us by following the following necessary guidelines:

	All parents and carers must wear a mask or face covering such as a visor when dropping off or collecting.
	Only one parent/carer should come to drop off/collect.
	Please ensure you bring and collect your child/ren from school at the allocated time and not before.
	Please do not stop to speak to members of the teaching staff or to other parents/carers. Ring or email (info@brindishelee.lewisham.sch.uk) the school if you have any questions or concerns.
	Children should come to school with only essential items: waterproof/warm coat, a labelled bottle of water, and their packed lunch.
	On your child's PE day, they should come to school dressed in a suitable outside PE kit including trainers and a jumper/hoodie/sweatshirt.
	It is important that your child comes to school dressed appropriately for the day ahead as they will be using outdoor spaces in all weathers. Windows will constantly be open throughout the day.
	If you borrowed a school laptop/Chromebook/Ipad , please do not return these to school just yet. We will send you an email/text message during the first week back with regard to when they need to be returned to school.
	If any member of your household becomes unwell, you must not send your child/ren to school. You must take a Covid19 test. Your child/ren can return to school if you receive a negative result.
	If your child becomes unwell in school , you will be asked to collect them immediately. You will be asked to get your child tested for Covid-19.
	If we have to close a bubble due to a confirmed case of Covid-19 , you will be asked to collect your child immediately. Your child will need to self-isolate at home.
